

CFast D150Q

InnoDiskCFast D150Q Storage Card is complied with CFast 1.0 standard which is designed with a 7+17pin connector consisting of a SATA compatible 7 pin signal connector and a 17 pin power and control connector. Offering superior performance that data transfer rate of sequential read is up to 120 MB/sec. and sequential write is up to 100MB/sec.

Features

- Replace solution of CF
- 7+17pins SATA interface
- Support industrial grade up to 32GB
- Excellent data transfer speed

Specifications

Item	CFast D150Q
Capacity	2GB~ 32GB
Interface	SATA II 3.0G
Data Transfer Rate	Read:130MB/sec.(max.) Write: 110MB/sec.(max.)
Operation Temp.	0°C~+70°C(Standard)/ -40°C~+85°C(Industrial)
Storage Temp.	-55°C~+95°C

Vibration(Operation)	20G(7~2000Hz)
Shock	1500G/0.5ms
Max. Power Consumption	0.76W(3.3Vx230mA)
Thermal Sensor	Support
H/W Write Protect	Support(BGA Type)
SMART Function	Support
ATA Security	Support
Dimension(WxLxH)	36.4x42.8 x 3.6mm
