

#### RISC Based Fanless Network Appliance with Marvel Shiva NPU

1 x GbE RJ45 For ADSL Connection

### **Features**

### Low Power RISC Architechure

Save on energy bills while you process more network packets with the Marvell 88F6281 Processor at 1.2G. Thet MR-301features a unified 256KB 4-way set associative L2 cache, 32-bit and 16-bit RISC architecture, 64-bit internal data bus and it is compliant with ARMv5TE architecture.

### **High Network Throughput**

The MR-301 delivers fast networking though five Gbe (RJ-45) ports through RGMII GbE PHY. Its standard configuration comes with 4 LAN and 1 WAN.

Designed for both home use and the SMB market segments; ideal

applications for the MR-301 include intelligent broadband networking, control plane, storage and wireless applications in next-generation equipment from 100 Mbps to 1Gbps thoughput applications.

## Expansive I/O interface and Internal Storage

An internal 2.5" HDD, CF Socket, USB 2.0 ports, Mini-PCIe and console connection options are available, guaranteeing that all hardware requirements will be met.

# Small form factor for flexible deployment

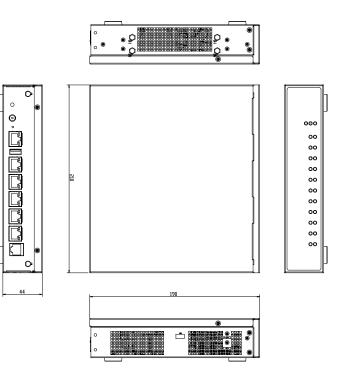

Measuring only 21cm wide and 19cm deep, the MR-301 can be deployed virtually anywhere. Its ity and cost savings while maintaining the high throughput and availability required for network security, acceleration and other network applications.

The MR-301's small form factor and low heat generation make it a perfect solution for network application deployment with limited space.

space-saving design offers flexibil-

### Dimensions: 210 x 44 x 190 mm

Specifications are subject to change without notice Last Updated: 12-Jan-2012

## **Specifications**

Form Factor	-	Desktop
Platform	Processor Options	Marvell Shiva SOC 88F6281 1.2G (1.5G Max)
OS Support		Linux OS (Kernel version depends on BSP)
Flash Memory	Boot Flash Extra Flash	512Mbit NAND Flash N/A
System Memory	Technology Max. Capacity Socket	DDR2 800 MHz 512MB/1GB 1GB Onboard
Storage	HDD Bays CF/SD	1 x 2.5" (Optional) Optional
	Ethernet Ports	5 x GbE RJ45 switch ports 1 x GbE RJ45 port for internal ADSL connection
	Bypass	N/A
Networking	Controllers	Marvell 88E6161 GbE switch Marvell 88E1116
	Ethernet Modules Management Port	N/A N/A
	Reset Button	Yes
I/O Interface	Console	1 x RJ45
	USB PCle	1 x USB 2.0 Either 1 x Mini-PCIe, or 1 x PCI-E golden finger
Expansion	PCI	N/A
Cooling	Processor	Passive heatsink
coomig	System	1 x cooling fan
Environmental Parameters	Temperature, ambient operating / storage Humidity (RH), ambient	$0 \sim 40^{\circ} \text{ C} / -20 \sim 70^{\circ} \text{ C}$
	operating / ambient non-operating	5~95%, non-condensing
Miscellaneous	LCD Module	N/A
	Watchdog Internal RTC with Li Battery	Yes Yes
Physical	Dimensions (WxHxD)	210 x 44 x 190 mm
Dimensions	Weight	1.2 kg
Power	Type / Watts Input	60W power adapter AC 100~240V
Approvals and Compliance		CE Emission, FCC Class A, RoHS
Approvals and compliance
